

The college recruiting process places numerous demands on athletes, parents and high school coaches. Marketing athletes and providing them proper exposure can cost valuable time and money. Pro-Dynamix is proud to introduce a new service that will help streamline part of the recruiting process and make it more affordable to all parties involved in this difficult economic time.

The **Pro-Dynamix Team Marketing Service**™ allows all of your players to receive professionally produced Athlete Marketing Videos at a reasonable cost.

With over a decade of experience in Athlete Marketing Pro-Dynamix has produced over 1500 Athlete Marketing Videos in all sports. High School coaches, College coaches and parents have praised our quality and presentation.

When coupled with our high quality film you are guaranteed a product far exceeding any other on the market.* We can also work with your footage

For as little as \$150 per athlete Pro-Dynamix will produce a 10-Game video complete with all highlights and fundamental contributions that showcase everything the athlete can offer at the college level.

What your team receives:

10 Athlete Service

- 10 Athlete Marketing Videos produced from 10 games.
